Festival Information

Welcome to the ninth annual Humpty Dumpty Reedham Beer Festival. We have gathered around 60 real ales and ciders from across East Anglia and beyond to celebrate the summer here in Reedham, Humpty Dumpty Brewery's beautiful Broadland home. Beers and ciders are listed alphabetically by brewery, we expect to have 20 beers available at any given time for most of the festival, though we cannot guarantee to have every beer on at any particular time and we can't promise we'll tap all the beers on this list – the more we sell, the more we will tap but make sure you have your second and third choice in mind.

You will need to hire a pint glass from us for the festival. We ask for a £2.50 deposit, refundable upon the return of the glass in good condition. Small plastic cups will be available for wine and soft drinks only.

Our BBQ, hot food and filled rolls will be available at most sessions over the course of the weekend.

Once again we are also pleased to be able to offer delicious rare breed pork pies and sausage rolls from Samphire's Norfolk smallholding.

Toilets are available in the Village Hall. Please let a member of staff know if they are in need of attention. Please do not use the hedges!

Late Trains:

Friday: Lowestoft: 2224, 2259 Norwich: 2347, 2352. Last trains from Brundall to Yarmouth depart: 2150, 2309

Saturday: Lowestoft: 2224, 2259 Norwich: 2347, 2352. Last trains from Brundall to Yarmouth depart: 2150, 2309

Sunday: Trains run throughout the evening after the festival ends at 6PM.

All train times were checked on 12 July 2016. We recommend checking with Abellio Greater Anglia on the date of travel to check for possible schedule changes – the brewery can accept no responsibility for the accuracy of this information or changes to service.

There are two pubs in Reedham if you want to carry on after leaving the festival: The Ship and The Ferry, both of these pubs have a selection of real ale and offer food.

For licensing reasons, all sessions end promptly as scheduled

We appreciate your understanding
